## SUPERINTENDENT'S REPORT

To the Dorchester School Board. Hereby submitted is my annual report as Superintendent of Schools for the Dorchester School District.

As is usually the case, I have had little contact with your pupils who are attending schools in Canaan which is in another Supervisory Union. However, I have fairly close contacts with that Superintendent and he has been instructed to inform me immediately of any problems our children have which should have prompt attention. In as much as I have not heard from him, I assume that none of our children have or are problems.

It has come to me in an indirect way that Dorchester has been invited to participate in a Regional School in the Canaan area. I urge you to give the plan a good deal of thought. There is no question that a school of this type is the coming thing and as the years go by you will see many more of them in our state. The increased advantages in education, transportation, and curriculum are tremendous. In spite of the fact that I consider this an excellent plan and certainly would approve of your being a part of it, I feel that I should caution you to check into the costs thoroughly before you made such a move. I realize you have limited tax money available for support of all town activities and there is just so much expense you can bear.

If I can help you in any way with your planning or discussions of this matter, do not hesitate to ask me.

Respectfully submitted,

M. WAYNE BOWIE

Superintendent of Schools
